Fort Riley, KS 66442***

Dear New Bulldog Family,

I want to extend a most sincere welcome as you and your family join the 3rd Brigade, 1st Armored Division during our exciting journey of converting into a Heavy Brigade Combat Team and fulfilling our mission in support of the Global War on Terror. You will play an integral role as a member of the team, and I assure you that your time in this Brigade will stimulate, challenge, and offer you opportunities you will remember for a lifetime.

You will shortly be assigned a sponsor to make you and your family's transition to Fort Riley and the Brigade as smooth as possible. Your sponsor will promptly assist you with any questions you may have. Fort Riley is a beautiful and historic post and I trust you will find this assignment memorable and rewarding.

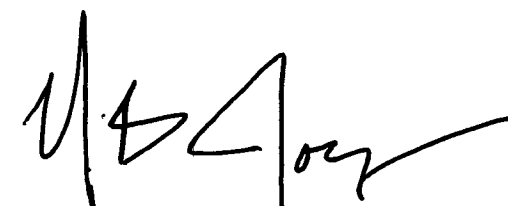

Again, I am honored to have you and your family as part of the team and look forward to our journey together through an exciting and historical time for the Bulldog Brigade.

BULLDOGS!

Sincerely,

CSM JAMES R. SAVITSKI
